My school will notify me of the type(s) and amount(s) of loan(s) that I am eligible to receive. I may cancel my loan or request a lower amount by contacting my lender or school. Additional information about my right to cancel a loan or request a lower amount is included in the Borrower's Rights and Responsibilities Statement and Disclosure Statements that have been or will be provided to me.

12. Interest Payments (Optional):

Borrower Certifications and Authorizations — *Read carefully before signing below.*

13. Under penalty of perjury I certify that:
A. The information I have provided on this Master Promissory Note and as updated by me from time to time is true, complete, and correct to the best of my knowledge and belief and is made in good faith.
B. I will immediately repay any loan proceeds that cannot be attributed to educational expenses for attendance on at least a half-time basis at the school that certified my loan eligibility.
C. (I) I do not now owe an overpayment on a Federal Pell Grant, Supplemental Educational Opportunity Grant, or a Leveraging Educational Assistance Partnership Grant (formerly State Student Incentive Grant); or, (II) I owe an overpayment. I have made repayment arrangements with the holder to repay the amount owed. (III) I am not now in default on any loan received under the Federal Perkins Loan Program (including NDSL loans), the Federal Direct Loan Program, or the Federal Family Education Loan Program ("FFELP" as defined in the Borrower's Rights and Responsibilities Statement), or (IV) I am in default on a loan, and I have made satisfactory arrangements with the holder of the defaulted loan.
14. For all subsidized and unsubsidized Federal Stafford Loans (as described in the additional MPN provisions and the Borrower's Rights and Responsibilities Statement) I receive under this Master Promissory Note, and for certain other loans as described below, I make the following authorizations:
A. I authorize my school to certify my eligibility for loans under this Master Promissory Note.

C. I authorize my school to pay to the lender any refund that may be due up to the full amount of the loan(s).
D. I authorize the lender, the guarantor, or their agents, to investigate my credit record and report information concerning my loan status to persons and organizations permitted by law to receive such information.
E. I request and authorize my lender to: (I) during the in-school and grace periods of any loans made under this Master Promissory Note, defer and stop the repayment of principal on all of my FFELP loans that are in repayment status; and (II) add unpaid interest that accrues on all my FFELP loans to the principal balance of such loans ("capitalization") including such loans made under this Master Promissory Note, during forbearance periods, and for unsubsidized loans, during in-school, grace, and deferment periods as provided under the Act. "Capitalization" will increase the principal balance on my loans and the total amount of interest charges I must pay.
F. I authorize the release of information pertinent to my loans: (I) by my school, the lender, and the guarantor, or their agents, to the references on the applicable loans and to members of my immediate family, unless I submit written directions otherwise; and, (II) by any one of my schools, lenders, guarantors, the Department of Education, and their agents.
G. So that the loans requested can be approved, I authorize the Department of Education to send any information about me that is under its control, including information from the Free Application for Federal Student Aid, to the school, the lender, and to state agencies and nonprofit organizations that administer financial aid programs under the HEAL.

Promise to Pay — *In this Master Promissory Note (MPN), "lender" refers to, and also includes, the original lender and its successors and assigns, including any subsequent holder of this MPN.*

I understand that multiple loans may be made to me under this MPN. I understand that by accepting any disbursements issued at any time under this MPN, I agree to repay the loans. I understand that, within certain time frames, I may cancel or reduce the amount of any loan by refusing to accept or by returning all or a portion of any disbursement that is issued. Unless I make interest payments, interest that accrues on my unsubsidized loans during in-school, grace, and deferment periods will be added as provided under the Act to the principal balance of such loans. If I do not make any payment on any loan made under this MPN when it is due, I will also pay reasonable collection costs, including but not limited to attorney's fees, court costs, and other fees.
